The garden also contains a host of great facilities including easy to walk compacted gravel paths, a wonderful café, group pavilions and shelters, heaps of garden seating, bus parking and disabled amenities. These are provided to ensure all visitors have a great experience while discovering the wonders of waterlilies, the loveliness of lotus flowers and the beauty of begonias.

Lotus Flower Season (peak) - \$20.00 per person 26th December – 20th March

Our famous display of magnificent lotus flowers happens in the gardens from late December to Late March. Visitors will get to see the world's most extensive collection of different lotus and waterlily varieties which produce thousands of flowers over this period. It's also the best time to experience our tropical gardens with many of our amazing plant-based exhibits, including the Giant Amazon Waterlilies, among the biggest in the world.

Autumn Flower Season (shoulder) - \$16.00 per person 21st March – 21st April

Autumn is a fantastic time at the gardens. It's when thousands of annual and perennial flowers are in full bloom. Mass plantings of begonias, hibiscus, impatiens, salvias, petunias, sunflowers and many others complement the magnificent water features around the gardens. Other floral highlights include our display of native Australian waterlilies and unique native lotus flowers.
